NATIONAL DEPRESSION AWARENESS MONTH

October is an important time for you to help people learn about depression and the need to seek professional help. NeuroStar TMS is here to support you. This month, we are providing you with new communication tools to assist you in spreading awareness for NeuroStar TMS in your practice, so you can let your patients know all their depression treatment options. We are also continuing to highlight our partnership with Drew Robinson, NeuroStar patient and advocate, to help bring TMS into the broader mental health conversation.

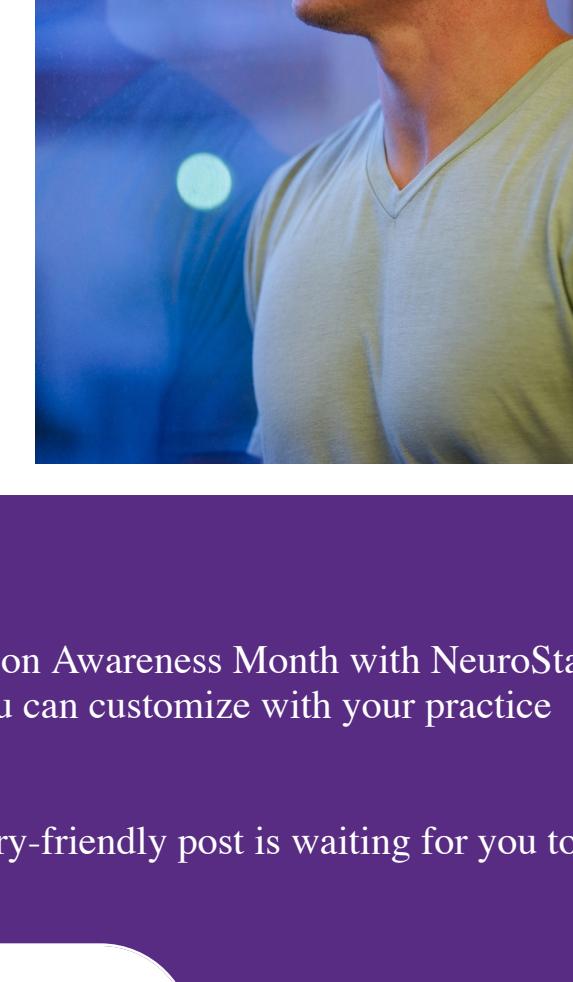

OCTOBER 10TH - WORLD MENTAL HEALTH DAY

"STRENGTH isn't always physical" – Drew

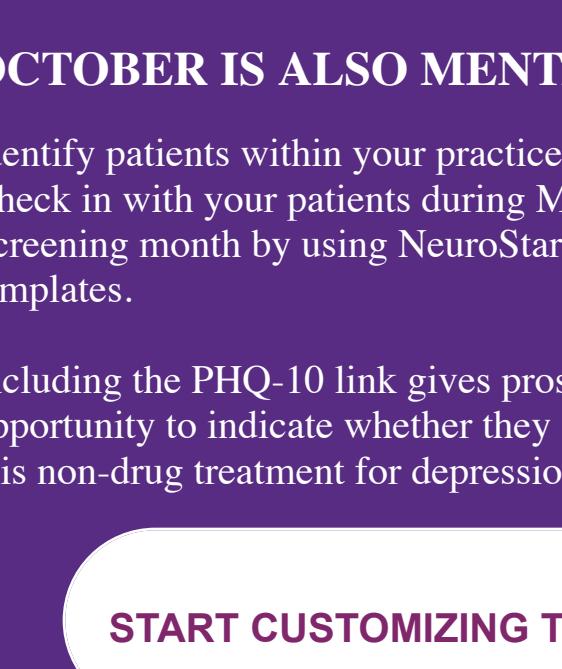

Drew Robinson continues to shine a light on the importance of mental health with the world around him. Drew's partnership with NeuroStar has achieved hundreds of millions of impressions on platforms like Yahoo Sports, ESPN Radio, and more, allowing us to get our message to a bigger audience so more patients can see the impact of this life-changing therapy.

This World Mental Health Day, share Drew's story with your patients by co-branding one of our assets on [myneurostar.com](#)!
